From Bill Hoover

Hi!

Congratulations to our Hi/Lo Winners:

- 1st: Lauren Ward
John "Wil" Williams
- 2nd: John Cochran
Tom Nicholson
- 3rd: Jasin Stine
Tony Jackson
- 4th: Joe McFadden
Arnell Ferry

Thanks to the Rawhide for hosting play and may our winners bring back the WCC trophy from San Diego in July.

Thanks Jack Plimpton for your generous donation. I'll give you a big hug when I see you at the play-offs.

Welcome Jeffrey Hersh and Russ Pepin to the BOG. I know they will be great assets when it comes to getting the business of the league done well and with gusto!

Captains you have a special responsibility to get your players and alternates out to the party. A phone call from you would do wonders to get them there.

*Bill Hoover,
Statistician*

Meeting of the Spring 2003 Board of Governors, At the Rawhide, Sunday, April 6, 2003.

Governors present: John Cochran (president); Bill Dehn (Treasurer), Bill Hoover (Statistician), James Prather (Rules & Protest Chair) and Jasin Stine (Vice President).

Note: All meetings of the membership and the Board of Governors are conducted by Robert's Rules of Order. Under those guidelines, the Chairman (League President) is the presiding officer but cannot offer formal motions or cast a vote **except** to break a tie. Each Governor's vote is recorded for the minutes. Consistent with non-binding precedent, the President does register his/her position on each issue to inform the members of the League.

Called to order at 11:42 A.M.

The first order of business was to formally review the resignations received from Anna Nelson and David Laguana as members of the Board. **Motion:** Bill Hoover moved and Bill Dehn seconded that the Board accept both resignations. **Vote:** Unanimous with the President registering his agreement with the motion.

The next issue addressed was the certification of the Spring 2003 weekly statistical results. In accordance with the by-laws, the Board is directed to meet immediately prior to the tenth week of play to hear any challenges to the accuracy of the weekly standings. **Motion:** Bill Hoover moved and Jasin Stine seconded to accept the present results through the ninth week of play. **Vote:** Unanimous with the President registering his agreement with the motion.

The final business to be discussed was the Board's interest in filling the two vacant seats. Specific duties would (will) be determined based upon specific need. The appointed Governors would finish the terms of the two former members (Anna and David) which expire on July 14, 2003. **Motion:** Bill Hoover moved and Bill Dehn seconded that the two seats be filled by Jeffrey Hersh and Russ Pepin effective immediately. **Vote:** Unanimous with the President registering his agreement with the motion.

Note: As a result of the most recent League election results, Jeffrey and Russ will begin their own, one year term(s) of office beginning on July 14th.

The Fall 2003 Board of Governors will meet in the near future to determine the officer positions effective July 14th. The results will be published and disseminated to the members.

Adjourned: 12:24 P.M.

Sincerely,

Notes:

Do not forget to follow the "Timeout Rule". On page 30 of the Guide, Rule 47. Coaching During Playoff Matches, applies until we get to the top four teams. At that point we use WCC Rules.

Winning Captains are to call in the results to the League Hotline. Questions during play can be called to Bill Hoover at 323-876-3074 until games 21 and up which will have officials present or judging where specified by the rules.
