Weekly News Briefs

For the record: The benchmark format is not being used to rank teams. With the final week of league play done, the playoffs will begin. Joe Nealon is coordinating the activities and a schematic of play times can be found on the LA Pool League website. The team placed at the top of the rack will practice first and a flip of the coin will decide which team is Home. The Home team will be responsible for the score sheet. LAPL rules will apply for the playoffs, with the exception of coaching a player. A player may talk to teammates when not shooting, but is allowed only one, one minute time out during each game to ask for help while shooting. WCC rules of play will be applied on the final match only. Stay up to date on information by visiting the website or calling the hotline. Those familiar with the movie industries XXX rating will understand my amazement at just how much fun there was in the company of XXX's at the league's final fundraiser tournament, "[The Volunteers Appreciation Tournament](#)" last Sunday at MJ's. It was a yelling, no holds bared, openly witty, and raucous good time. Many will say it was the member behind the winners that pushed them onto victory; but in the end, there can be only one. Persevering over bantering, bickering, and b_`hing, the winner of the day was Lauren Ward. Congratulations!

On Sunday, April 10, 2005, the **WCC Hi/Lo Qualifier** will take place at Moon Shadow. Any member who has played at least 24 games (or 22 games for the 10 teams with 9 weeks of play) is eligible and encouraged to play. This is a scotch-doubles event with the top and lowest seeded players paired as teams. Sign-up is between 11 am to 12 noon. The winners of this tournament will represent Los Angeles at the West Coast Challenge in San Diego this summer, July 8 – July 10. With the awards banquet set for Oxwood Inn on May 17, 2005, George O'Hara asked that I mention he will be taking sign-ups for the summer 9-ball league that evening. As an added pursuit, Paul Rathburn is checking for interest in playing golf on Sundays over the next few weeks. Contact Paul Rathburn at PRchef1@aol.com, or 818-634-8328 and let him know of your interest. Congratulations to all for a fantastic season.

Thank you,
Ron Rinker

President's Notes:

The results of the BOG election are in. Shauna got the most votes followed by Russ, James, and Gibbi. These four will take office on Sunday, July 10th at Midnight for the Fall 2005 season. A special thanks to Joe and Jay for counting the votes!

As we enter our tournament events, the BOG urges all participants to please review the playing rules and contact any BOG member (especially Gibbi as Rules person) if you have any questions about rules etc.

Remember the first rounds of team play-offs (until the final match) are LA Pool League rules except that coaching is limited to one one-minute time out called by anyone on your team. During early rounds open conversation is permitted when you are not the shooter and there is no limit on number of team members who can give advice during the time out. The shot clock is applied just as irregular season play.

The dates of the WCC have been changed to July 8th to 10th!

See you there!
Bill Hoover
