Here we go into another season of playoffs to find out which team will be representing us at the West Coast Challenge in San Francisco this January. It has been a competitive season and in fact two teams tied for the most table runs. The teams being MoonShadow 10 and Trunks 11.

The first round of playoffs will be this coming Tuesday, November 02, 2010. The team on the top of the bracket practices first at 7:00 and the team on the bottom of the bracket practices at 7:30. Be sure to check to make sure you are practicing on the right table. A coin toss shall determine which team is home and which team is away.

The winning captain should submit their scores as soon as possible after the match. You can use the "Submit Scores" on the website or email Schesary at schesary20@yahoo.com. The individual scores are not necessary, just the final score of the match.

Just a couple rules reminders...

47. COACHING DURING PLAYOFF MATCHES

Coaching during early round playoff matches is limited to one - 1 minute time-out per game which may be called by either the player or any team member. This applies during a players turn at the table and additional coaching is a foul. Players may discuss the game with their team at any time during their opponents turn at the table. Late round playoff matches (those in which both teams already are in the top four) will still conform to WCC time-out rules.

Also remember if the game goes onto shot clock and a timeout is called the shot clock stops. When either time has run out or the player informs the timekeeper his timeout is over the shot clock will resume with the time left

Also please remember this **Saturday**, October 30th is our 8-ball fundraiser at trunks. Registration is from 12:00 to 1:00 with play starting immediately thereafter.

Now let's all play nice and have a wonderful time at this seasons playoffs.
